
Now, I would like to ask you to say how good or bad your health is TODAY.

I would like you to picture in your mind a vertical line that is numbered from 0 to 100.
(Note to interviewer: if interviewing face-to-face, please show the respondent the VAS line.)

100 at the top of the line means the best health you can imagine.
0 at the bottom of the line means the worst health you can imagine.

I would now like you to tell me the point on this
line where you would put your health TODAY.
(Note to interviewer: mark the line at the point
indicating the respondent's health today.)

0 - The worst health you can imagine 50 100 - The best health you can imagine

(Place a mark on the scale above)
