On the below conditions I hereby accept a grant of SEK 400.000,- from the Laerdal Foundation in favor of my project; *Effects of Advanced Trauma Life Support® Training Compared to Standard Care on Adult Trauma Patient Outcomes: Initiating A Cluster Randomised Trial*.

1. The following will be sent to the administrator of the Foundation within 12 months from date:
  - a. a report of the progress/results of the project (e.g. an abstract, or a published article), and
  - b. a specification of expenditures from the grant money, as well as total funding of the project.
2. It is realized and agreed that the Foundation shall bear no responsibility for the project, whether legal, ethical or of any other nature.

It is further agreed that any involvement of patients/persons in the project shall be in accordance with the regulations of the Institutional Research Review Committee, or equivalent which is acceptable to the nation(s) concerned.
3. In any publication about the project, the Laerdal Foundation will be referenced/-acknowledged.
4. A final report within 3 years after receiving support.
5. Should it, for whatever reason, not be possible to start the project for which financial support has been granted from the Foundation according to our application within 12 months from receipt of the grant, the grant will be returned to the Foundation.

Please make the grant payable as per the bank details enclosed, provided by my institution/organisation.
