Disability	
1. GCS checked	<ul><li>Yes</li><li>No</li><li>(Source: Observation)</li></ul>
2. Pupils checked	<ul><li>Yes</li><li>No</li><li>(Source: Observation)</li></ul>
Exposure	
1. Patients exposed for assessment	<ul><li>Yes</li><li>No</li></ul>
2. Temperature measured	<ul><li>Yes</li><li>No</li><li>(Source: Observation)</li></ul>
3. Interventions and adjuncts performed according to ATLS	
Airway interventions	
1. Which airway interventions were performed?	<ul> <li>None</li> <li>Manual airway procedure such as chin lift or jaw thrust</li> <li>Nasopharyngeal or Oropharyngeal airway inserted</li> <li>Supraglottic airway device</li> <li>Tracheal intubation</li> <li>Surgical airway</li> <li>Other</li> <li>Not known</li> <li>(Source: Observation)</li> </ul>
2. If other airway Interventions given, specify	
3. Were airway interventions performed while minimising c-spine movement?	<ul><li>Yes</li><li>No</li><li>Not known</li><li>(Source: Observation)</li></ul>
Breathing interventions	
1. Which breathing interventions were performed?	<ul> <li>None</li> <li>Oxygen applied</li> <li>Intracostal drain placement</li> <li>Other</li> <li>Not done</li> <li>Not known</li> <li>(Source: Observation)</li> </ul>
2. If other breathing Interventions done, specify
