## **Disability (WHODAS 2.0)**

| Who are you interviewing?  | <ul> <li>Patient participant</li> <li>Patient representative</li> <li>(Requires opt-in consent, not routinely recorded.</li> <li>Source: Interview)</li> </ul>  |
|--|---|
| What is the relationship between the representative and the participant?                   | <ul> <li>☐ Husband or wife</li> <li>☐ Parent</li> <li>☐ Son or daughter</li> <li>☐ Brother or sister</li> <li>☐ Other relative</li> <li>☐ Friend</li> <li>☐ Professional carer</li> <li>☐ Other (specify)</li> <li>(Requires opt-in consent, not routinely recorded.</li> <li>Source: Interview)</li> </ul> |
| If other, please specify   |   |
|  |   |
| Instructions to the interviewer are written in bold - do not read these aloud.             |   |
| Text for the respondent to hear is written in italic                                       | orint in blue. Read this text aloud   |
| Text for the respondent to hear is written in italic                                       | ornic in blue. Read this text aloud.  |
|  |   |
| Say to respondent:   |   |
| The interview is about difficulties people have because of health conditions.              |   |
|  |   |
| By health condition I mean diseases or illnesses, or                                       | r other health problems that may be short   |
| or long lasting; injuries; mental or emotional probl                                       | •   |
| or long lasting, injuries, mental or emotional probl                                       | enis, and problems with diconor or drugs.   |
|  |   |
| Remember to keep all of your health problems in mind as you answer the questions. When I   |   |
| ask you about difficulties in doing an activity think about                                |   |
|  |   |
| Increased effort Discomfort or pain Slowness Cha   | nges in the way you do the activity When  |
| answering, I'd like you to think back over the past  | 30 days. I would also like you to answer  |
| these questions thinking about how much difficulty you have had, on average, over the past |   |
| 30 days, while doing the activity as you usually do  | it.   |
|  |   |
| Use this scale when responding None mild mede  | rata cayara aytrama ar cannat da  |
| Use this scale when responding: None, mild, mode   | rate, Severe, extreme or cannot do.   |
|  |   |
| In the past 30 days, how much difficulty did you ha  | ive in:   |
| Standing for long periods such as 30 minutes?  | ○ None  |
|  | Mild  |
|  | <ul><li>○ Moderate</li><li>○ Severe</li></ul>   |
|  | Extreme or cannot do  |
|  | C Extreme of Camilot do   |
|  | (Requires opt-in consent, not routinely recorded. Source: Interview)  |
