Maintaining a friendship?	 ○ None ○ Mild ○ Moderate ○ Severe ○ Extreme or cannot do (Requires opt-in consent, not routinely recorded. Source: Interview)
Your day-to-day work/school?	 ○ None ○ Mild ○ Moderate ○ Severe ○ Extreme or cannot do (Requires opt-in consent, not routinely recorded. Source: Interview)
Instructions to the interviewer are writter Text for the respondent to hear is written	in bold - do not read these aloud. in italic print in blue. Read this text aloud.
Say to respondent: The interview is about difficulties people have because of health conditions. By health condition I mean diseases or illnesses, or other health problems that may be short	
	nal problems; and problems with alcohol or drugs.
Remember to keep all of your health prob ask you about difficulties in doing an activ	lems in mind as you answer the questions. When I vity think about
answering, I'd like you to think back over	ness Changes in the way you do the activity When the past 30 days and, to the best of your knowledge, ow much difficulty your friend, relative or carer had

29-03-2024 3:50am projectredcap.org

or "carer". For each question, please give only one response.

In the past 30 days, how much difficulty did your relative have in:

while doing the following activities. I will use the term "relative" to mean "friend", "relative"
