	Other (specify)
	(Requires opt-in consent, not routinely recorded.
	Source: Interview)
If other, please specify	
Instructions to the interviewer are written in bold - do not read these aloud.	
Text for the respondent to hear is written in italic	nrint in blue. Read this text aloud
rext for the respondent to hear is written in italic	print in blue. Redu tins text diodd:
Say to respondent:	
The interview is about difficulties people have bed	ause of health conditions.
By health condition I mean diseases or illnesses, or other health problems that may be short	
or long lasting; injuries; mental or emotional prob	lems; and problems with alcohol or drugs.
Remember to keep all of your health problems in mind as you answer the questions. When I	
	•
ask you about difficulties in doing an activity think about	
Increased effort Discomfort or pain Slowness Cha	anges in the way you do the activity When
•	
answering, I'd like you to think back over the past 30 days. I would also like you to answer these questions thinking about how much difficulty you have had, on average, over the past	
Use this scale when responding: None, mild, mode	erato sovoro extreme er cannot de
ose this scale when responding, None, illia, mode	iate, severe, extreme or cannot do.
In the past 30 days, how much difficulty did you ha	ave in:
Standing for long periods such as 30 minutes?	○ None
Training for long periods such as so minutes.	Mild
	○ Moderate
	Severe
	SevereExtreme or cannot do
	Severe
