- Li Felländer-Tsai (LFT)
- Kapil Dev Soni (KDS)
- Monty Khajanchi (MK)
- Nobhojit Roy (NR)
- Lovisa Strömmer (LS)

Members excused
- Abhinav Bassi (AB)
- Johanna Berg (JB)
- Karla Hemming (KH)
- Girish D Bakhshi (GB)
- Shamita Chatterjee (SC)
- Vivekanand Jha (VJ)
- Anurag Mishra (AM)
- Rajdeep Singh (RS)

Agenda
1. Update on ethics submissions
2. Update on regulatory approval submission
3. Decide to invite additional sites for screening interviews
   a. Nilratan Sircar Medical College & Hospital, Kolkata
4. Screening of additional sites
5. Update on funding applications
6. Additional points
   a. Ethics submission pack to Chandigarh
   b. Clinical Trials Registry India (CTRI) submission

Notes and decisions
1. We have sent the document required for the ethics submission to six sites. TGI is following up on the submissions.
2. The team at TGI is working on the application to the Health Ministry Screening Commission.
3. We decided to invite NRS for a screening interview.
4. We need to screen additional sites. Medical College in Kolkata will be approached to fill in the screening form but additional sites are needed to recruit the sites needed for the second batch. RS will contact sites in Ludhiana, Chandigarh and Bhubaneswar.
5. Three additional funding applications have been submitted, one to the Swedish Research Council, one to the Indian Council for Medical Research, and one to the Swedish Society for Medical Research. One application will be submitted today to the Erling Persson Foundation.
6. Additional points
   a. RS asked about the ethics submissions pack to Chandigarh. SR replied that it was sent about two weeks ago. RS confirmed with his contact there that they had received it and they are targeting submission towards the end of April.
   b. MK asked about the CTRI submission. SR replied that it is almost ready and should be submitted soon.
